EDUCATING STUDENTS TO BE LIFE - LONG LEARNERS

REACHING OUT TO OTHERS IN JUSTICE AND LOVE

February 2019

Dear Parents,

We are seeking your permission for **Local Area Excursions** throughout the year.

From time to time it is beneficial for the children to walk around our local area to observe aspects of life. This will involve the children walking a short distance to local landmarks and they would be supervised by school staff. Parents will be notified that the excursions will be taking place and their assistance may be requested. There will also be instances where the children walk to sporting facilities. At all times the children will be supervised by teachers and road safety rules will be reinforced with the children.

Please complete the relevant section of the form below to indicate your intention regarding this matter. This form will need to be returned to your child's class teacher as soon as possible. Please assist our record keeping by returning one note for each of your children.

Thank you for your continuing support.
